Leaders

Dr. Wes Husted – Thirteen years visiting, touring, and excavating in the Middle East, Jordan and Israel. Wes has a PHD in Archaeology and Old Testament Studies, and a Masters in Theology. He's been teaching the bible and related courses for over forty years focusing on Middle Bronze through Iron Age history.

Dr. Gary Byers – Over forty years of excavating and leading tours through both Jordan and Israel. Gary currently serves as the Co-Director of the Tel el-Hammam excavation (Sodom) in Jordan and the Co-Director of the Shiloh excavation in Israel.

Our objective is to make the tour fun, enlightening, and focused on the locations of biblical archaeology and the people who walked, lived, and fought in Israel. For example, we'll walk the trail David and his mighty men traveled to David's stronghold; visiting Megiddo, we'll walk where Solomon walked along with many of his horses, and we'll see the location of the battle of Armageddon. We will also visit Beit-Sean where the Philistines nailed the body of Saul to the wall; we'll cross the sea of Galilee, visit Jesus' town, Capernaum, and stand in the ruins of the Temple where Jesus spoke; we'll walk Jerusalem and visit the Wailing Wall; travel to the land of Philistines and the valley where David slew Goliath, the Cardo and Old City of Jerusalem and so much more. Along the way, there will be free time to explore on your own, and of course do lots of shopping. A full itinerary is also available prior to registration, check it out.

If you have traveled with us on prior trips, what makes this trip worth it is this trip's focus on biblical archaeological sites and having Dr. Gary Byers along-- not only an international expert on the Holy Land, but a great guy to hang with as well.

See you in the Holy Land!
