## Lesson 4 w/Answers

## Zechariah's Prophecies

In this lesson, we will be looking at the prophecies of Zechariah. This will be the last of our brief survey of the Old Testament prophecies focused on the return of the Messiah and God restoration of Israel. As we discovered during our study of Daniel's visions, he, like us, was troubled by what God was showing him. However, the book of Daniel closes with words of comfort from God. Specifically, in the very last verse of the book of Daniel, Daniel 12:13, God says to Daniel: "As for you, go your way till the end. You will rest, and then at the end of the days you will rise to receive your allotted inheritance." These are God's words of comfort to us as well.

As we study God's word and see all that it reveals about the end-time return of Christ, God's instructions are intended for us as well: "...go your way till the end". God wants us to focus on the daily work in the kingdom which is so vital to reaching so many; and we are assured that in the end we too will be raised to eternal life and will receive our inheritance. What a day of rejoicing that will be!

Zechariah will add even more insight into God's plan for Israel. In particular, we will learn what the exact day will be like when Christ returns with the Saints to establish His earthly kingdom and to restore the nation of Israel.

We will review specific passages from Zechariah and note what each one tells us about End Time events.

  - b. ANSWER 2: He will bring plagues on them.

What insight Zechariah provides us regarding the first Day of Christ's return! He tells us what the terrible war will be like and describes many of the events that will occur the moment that Christ returns. From our previous studies, we know that one of His first official acts after establishing His kingdom will be to judge the nations, separating the sheep from the goats. We also know that after the great war, it will take more than six months just to bury all of the dead.

Zechariah also reveals that the sun will remain in place. It will be a unique day: Christ's return will be witnessed by the entire world. His arrival will be something that splits the skies. Great and miraculous things will be caused to occur in the heavens as we see Christ returning just as he descended. However, this time he is accompanied by the "holy ones" — the millions and millions of saved people coming to put a stop to the Anti-Christ and to establish Christ's earthly kingdom.

Zechariah describes earthquakes, the creation of a new valley, living waters streaming from Jerusalem, surrounding areas being flattened while Jerusalem is raised, and the entire area becoming a great and beautiful oasis. Israel becomes the most fertile place on the face of the earth. What a completely awesome and yet terrible time it will be! Israel will enter a period of mourning as it confronts the truth about Jesus. Its land will be cleansed from sin, idols, and false prophets; while the rest of earth is judged by Christ as he sets up his kingdom in Jerusalem and begins the rebuilding of the Temple so that God will come and dwell there.

What a great study God is providing us. Imagine the excitement of the disciples on that Palm Sunday, as Christ came riding on a donkey. Their King had finally arrived! What will follow? We will study that in our next lesson.

In Christ,
