

DON'T QUIT

I remember when I was a lad,
Some advice I got from my Dad
He said when hard times come and they will,
And life it seems, is all up hill
And you can't help but take the hit,
Stomp your feet, grit your teeth, bite the bit
But don't you quit!

Success is failure turned wrong side out
It's the silver lining of the clouds of doubt
So if life just seems to pass you by
You want to smile, but you have to sigh
Better times seem afar off from where you sit
Take a deep breath, rest if you must
Kick up your heels and shake off the dust.
But Don't you quit!

I won't say life is one big cherry when it's the pit
It's when things seem the worst you must not quit.
Just aim high, shoot for a star,
you never know how close you are
Stick to the fight when you're hardest hit

.....And Trust in Jesus

Because HE won't quit!

*Don't
Hesitate*
