

HOW IS YOUR FAITH?

Now I have a question, I do indeed!

How is your Faith?

Is it small as a mite or big as a mustard seed?

How is your Faith?

Is it like Noah's who did not disdain;

He just built an ark ... and had never seen rain!

How is your Faith?

Is it like Abraham's who went where he was told;

And never gave up on an heir, even when he was old!

How is your Faith?

Is it like Moses', He obeyed God without cōppin' a plea;

Then raised his hands and parted the sea!

How is your Faith?

Is it like Joshua's, He walked for seven days and
did not stall;

"Cause God told him to and ... oops! there goes
that wall

How is your Faith?

Is it like Daniels, who trusted God and defied the men;

Then survived the night in a lions den!

How is your Faith?

Now nations were ruled, Kingdoms conquered, Armies routed;

Because Gideon, Barak, Sampson, and David never doubted!

How is your Faith?

Faith is being sure of things hoped for by you & me;
and being certain of the things we cannot see!

How does a person get faith as on the Earth they tod?

"Faith comes by hearing and hearing from the Word
of God".

But how can they believe in that of which they have
not heard?

You see, christian, it's your duty to spread God's Word!

We disciples have the loftiest of goals,

It's to bring to Jesus all lost souls.

If we each bring one soul before we're done,

In one short lifetime, the world would be won!

So "contend earnestly for the faith, be diligent
to the task"

Then the world will never have to ask

HOW IS YOUR FAITH?
