Although I'm in this world, I'm set apart
Because I have Jesus in my heart
Yes, Jesus is alive, alive you see
I know Jesus is alive, 'cause He's livin' in me!

To atone for sin, His blood was shed
In three short days He was raised from the dead
He paid the price for you and me
When He died there on Calvary
But He's alive, alive you see
I know He's alive, 'cause He's livin' in me!

He bore my sins, oh what a friend
He gave me life that has no end
They nailed His hands and pierced His side
To give me life, my Savior died
But Jesus is alive, alive you see
I know He's alive, 'cause He's livin' in me!

Through health, wealth, yes even pain
I have a peace and joy I can't explain
There is no fear even in the darkest day
Jesus is the Beacon that lights my way
Because He's alive, alive you see
I know Jesus is alive, 'cause He's livin' in me'

Now, hear my shout! Heed my claim!
Salvation comes by only one name
So open your heart and ask Him in
He'll forgive your every sin
If all your sin to Him you give
He'll turn it around and you can live

So ask Him into your heart, that's all you do
And you can have Him livin' in you
Because Jesus is alive, alive you see
I know Jesus is alive, 'cause He's livin' in me!!
